Fresno Gumyo Taiko is looking for people ages 8 years old thru adults who are interested in taiko drumming. They will be holding an evening workshop on Thursday, May 22, 2008 at the Fresno Betsuin Annex from 6:00 - 9:00 P.M.

They are encouraging everyone, young and old, to sign up. It's great exercise and a fun way to challenge your mind. You will find it to be a rewarding experience and a great way to become familiar with a Japanese art. The donation for the workshop is \$15.00 per person payable that evening. Children ages 8-12 must be accompanied by an adult.

We want to be sure we have enough equipment available, so if you plan to attend the workshop, please email or call the group by May 16th at: webmaster@fresnogumyotaiko.org or call Kathy Hamada at 897-7020 or Emi Takizawa at 299-2243. Space is limited to 20 participants on a first come, first serve basis.
